

What personally identifiable information is collected on this site?

Donors may supply personally identifiable information (such as name, address or telephone numbers) for various purposes on this site. These purposes include requesting further information about our services, registering for an event, making a donation or simply asking a question about Children's Medical Fund of NY (CMFNY). CMFNY does not collect personal information from you unless you provide it to us. This means that you can visit our site without telling us who you are or revealing any personally identifiable information about yourself.

How is it used?

When you supply information about yourself for a specific purpose, we use the information for only that purpose (such as to provide the registration or donation you have requested). For example, you may be asked to give us individual information to pay for registration for an event or if you wish to make a general donation to the Organization.

CMFNY does not sell or share their e-mail addresses or other information with any other parties or outside sources.

Should any material changes be made to the ways in which we use personally identifiable information, CMFNY will take commercially reasonable measures to obtain e-mail consent from you. We will also post the changes to our use of personally identifiable information on our site at least 30 days prior to a change.

Security

Personally identifiable information is stored on our server and is not publicly accessible. Further, personally identifiable information is only accessed by CMFNY employees on a "need to know" basis. All CMFNY donations and payments are processed through secure, third party financial institutions.
