

Children's Medical Fund  
of New York

## 2017 MARCUM WORKPLACE CHALLENGE CHECK PRESENTATION

Children's Medical Fund of New York was honored to be named one of the beneficiaries of the 2017 Marcum Workplace Challenge!

The Marcum Workplace Challenge, a 3.5 mile long run-walk attended by over 12,000 people, was held in July at Jones Beach State Park. A record \$100,000 was raised for Children's Medical Fund of New York, Long Island Cares, the Long Island Children's Museum, the Nassau County SPCA and the New York State Parks Department. To date, the annual run-walk for charity has raised more than \$800,000 for charities across Long Island.

CMF would like to thank Marcum, the Greater Long Island Running Club and all those who supported the event by sponsoring, running in the race and making donations. Through the support of loyal friends like Marcum, CMF is able to raise significant funds to help build, equip and secure ongoing funding for programs that are vital to the needs of critically ill children and their families at Cohen Children's Medical Center.
