INDEPENDENT AUDITORS' REPORT

To the Board of Trustees Children's Medical Fund of New York

We have audited the accompanying financial statements of Children's Medical Fund of New York (the "Organization"), which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

(Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children's Medical Fund of New York as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

1 - ORGANIZATION AND NATURE OF ACTIVITIES

The Children's Medical Center of New York Fund ("CMC") was organized as a membership corporation under the laws of New York State in December 1973 and is an exempt organization within the meaning of Section 501(c)(3) of the Internal Revenue Code. CMC is now known as Children's Medical Fund of New York (the "Organization" or "CMF").

The Organization was created for and is dedicated to the planning, education and public relations for the establishment and support of a health facility (Schneider Children's Hospital, now renamed as The Steven and Alexandra Cohen Children's Medical Center (the "Center")) of LIJ-North Shore University Hospital in New Hyde Park, New York, which opened in 1983, and is especially devoted to the total care of children and the provision of comprehensive children's medical services. The Organization is the sole funder of The Children's Medical Fund Center for Pediatric Diagnostic Studies.

The Organization is the only continuing supporter of the Child Life Program at the Center. The Child Life Program gives patients and their families access to specialists in a multi-disciplinary health care program to help them learn about and cope with the stress of a hospital stay. The Child Life Program provides entertainment, books and videos, crafts, holiday parties, CMF scrapbooks and gifts to patients, and also provides therapeutic play, all funded in full or in part by the Organization.

The Organization is supported primarily through contributions received through fundraising activities held by various divisions and chapters of the Organization. The contributions are received principally from individuals and organizations located in the Long Island and New York City areas. The Organization consists of the following divisions: CMF Central Board, Men's Division and Women's Division. The Women's Division is divided into auxiliary chapters: the North Shore Chapter and Garden City Chapter.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Organization's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

The Organization's net assets, revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions into the following three categories:

<u>Unrestricted net assets</u> - Net assets that are not subject to donor-imposed stipulations. Board-designated funds represent amounts set aside as a Capital Reserve Fund.

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation (Continued)

<u>Temporarily restricted net assets</u> - Net assets subject to donor-imposed stipulations that may or will be met, either by action of the Organization and/or the passage of time.

When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

<u>Permanently restricted net assets</u> - Net assets subject to donor-imposed stipulations that must be maintained permanently by the Organization. Generally, the donors of these assets would permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. There were no permanently restricted net assets at December 31, 2014 and 2013.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and is classified as a publicly supported organization as described in Section 509(a).

Cash and Cash Equivalents

Cash balances in banks are insured by the Federal Deposit Insurance Corporation subject to certain limitations. For financial statement purposes, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents, except any cash and cash equivalents held by the investment trustees, which are deemed to be held for long-term purposes.

Pledges Receivable

Pledges receivable are recorded at net realizable value if expected to be collected in one year and, if material, multiyear receivables are recorded at the present value of their estimated future cash flow. Amortization of the discount is included in contribution revenue. The Organization's allowance for doubtful accounts is based on management's estimates of the creditworthiness of its contributors, current economic conditions and historical information.

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments

Investments are stated at quoted market value ("fair value") if publicly traded on a national exchange. All other investments are stated at cost. Donated assets are recorded at fair value at the date of the donation. As per the instructions of the Board of Trustees, all investments, with the exception of the State of Israel Bonds, are sold when received in the Organization's brokerage account.

Property and Equipment

Property and equipment is stated at cost, or at fair value, if donated. Assets with a useful life of greater than two years and a cost of \$500 or more are capitalized. The cost of property and equipment is depreciated over the estimated useful lives of the related assets. Leasehold improvements are amortized over the lesser of their useful lives or the term of the lease. Depreciation is computed under the straight-line method.

Revenue Recognition

Contributions are recognized as revenue when an unconditional promise to give has been made. The Organization reports gifts of cash and other assets as temporarily restricted revenue if they are received with donor stipulations that limit the use of the donated assets.

In-kind Goods and Services

In-kind goods and services are recognized in the financial statements if the services or goods enhance or create nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased, if not provided by donation. The Organization received a substantial amount of services donated by volunteers in carrying out its activities. No amounts have been reflected in the financial statements for those services since they do not meet the criteria for recognition. In 2014 and 2013, the Organization received free use of office space valued at \$42,000 in each year, which has been recognized as contribution revenue and rent expense in the 2014 and 2013 statements of activities.

Functional Expenses

Functional expenses for shared costs have been allocated between program services and supporting services based on an analysis of personnel time and other equitable bases for the related activities.

The direct costs of special events include expenses for the benefit of the donor. For example, meals, facilities and rentals are considered direct costs of special events.

Subsequent Events

These financial statements were approved by management and available for issuance on August 13, 2015. Management has evaluated subsequent events through this date.

NOTES TO FINANCIAL STATEMENTS

8 - COMMITMENTS AND CONTINGENCIES

In 2008, the Organization renewed the lease for its offices in New Hyde Park, New York, with the lease term ended in May 2014. In December 2012, the Organization moved to donated office space in Syosset, New York. The fair value of the donated space is approximately \$3,500/month and has been recognized in the statements of activities as a contribution. The leased office space was sublet to a tenant who reimbursed the Organization for the cost of the monthly rent until the lease ended in May 2014. This rental income is recognized in the statements of activities. Rent expense for the years ended December 31, 2014 and 2013 was \$54,248 and \$70,068, respectively.

NOTES TO FINANCIAL STATEMENTS

9 - SUBSEQUENT EVENTS

On March 13, 2015, the Organization entered into a pledge agreement with North Shore-Long Island Jewish Health System Foundation (the "Foundation") for \$10,000,000 to build the Children's Medical Fund Center for Diagnostic Studies at Cohen Children's Medical Center. Previously \$5,000,000 had been paid to the Foundation, and \$1,000,000 was paid in March 2015. The remaining \$4,000,000 will be paid each July 1 over six years, as follows:

2016	\$ 1,000,000
2017	1,000,000
2018	500,000
2019	500,000
