

Danielle Chipman sells “Dream Wear” to raise money for the kids at CCMC.

Dani chose to raise money for CMF as her Mitzvah project. She sold dance shorts and pj pants that said dream to all her friends. Dani feels there is nothing worse than a sick child in need of medical attention. Both Dani and her brother Eric have been to the children’s emergency room at Cohen Children’s Medical Center. It was so nice to go somewhere that was geared to help only children.
