

Jake Prussian's Mitzvah Project: Roslyn Teen Organizes Toy Drive for Kids at CCMC!

Children's Medical Fund of New York would like to take the opportunity to thank one spectacular Roslyn teen and his family! **Jake Prussian** organized an extensive toy drive this summer as part of his Mitzvah project. Jake collected new toys, books, games and art supplies from friends, family and neighbors as a way to brighten the day of patients at Cohen Children's Medical Center.

The hundreds of toys, books and games were distributed to the patients at the hospital and filled the playrooms. Jake was delighted to help put smiles on the faces of children and their families at CCMC! Thank you so much to Jake and his family for this amazing donation!

Way to go Jake!
