

Jennifer Rosenberg Donates iPads

Jennifer Rosenberg, daughter of CMF Trustee Barry Rosenberg and Robin Rosenberg, recently celebrated her Bat Mitzvah. Jennifer decided that she wanted to follow in her parent's footsteps by supporting Children's Medical Fund. She graciously donated a portion of her Bat Mitzvah gifts to purchase iPads for the young patients at Cohen Children's Medical Center.

iPads are used by the Child Life Therapists to educate & eliminate fears regarding patient's treatment & procedures.

This is a perfect example of children helping children.

The Board of Trustees and staff of Children's Medical Fund would like to thank Jennifer for her selfless support of those less fortunate by making this donation.
