

Remy Tauber's "Mantra" Mitzvah Project August 24, 2017

Children's Medical Fund would like to take the opportunity to thank **Remy Tauber** for hosting the **RT Boutique** at Lester's of Greenvale on August 24, 2017!

Remy, daughter of CMF Men's Division President, Alan Tauber and Elissa Tauber, created the RT Boutique as part of her Mitzvah project. She designed and sold unique mantra themed gifts including t-shirts jewelry and more. All funds that Remy raised were given to CMF to support the patients at Cohen Children's Medical Center.

Remy's creativity and generosity will help support much needed programs at CCMC and help CMF continue supporting children and families in need!

We are so grateful to Remy and her entire family for their outstanding support and commitment to our mission! A special thank you to our friends at Lester's for allowing Remy to set up the RT Boutique at their store!

WAY TO GO REMY!!
