

SCOPE DELIVERS KINDLES TO COHEN CHILDREN'S MEDICAL CENTER

Jillian Shakin, Jared Bloch, Hailey Susser and Ashley Wong, members of the Junior SCOPE club at Jericho High School, attended our Annual Golf & Tennis Charity Classic on June 14th and collected money to purchase Kindles for the young patients at the children's hospital.

Ann Marie DiFrancesca, Child Life Director, met with Jillian and Jared at the CMF offices as they presented her with Kindles and Amazon gift cards to purchase books. The Kindles are already being distributed and the kids love them!
