

Be a Warrior for the Kids! A Yoga and Barre Fundraiser The Modern Improvement Club, February 13, 2017

Children's Medical Fund would like to thank our loyal friend and supporter **Maxine Schorr** for hosting a fabulous pre-Valentine's yoga and barre event! Guests were treated to a relaxing yoga and barre class at the beautiful **Modern Improvement Club**. We are so grateful to Maxine for her tireless efforts on behalf of the children at Cohen Children's Medical Center. Thank you also to Steven Koeppel, owner of the Modern, for donating the space and his instructor's time. His generosity made this event possible! We are so grateful to our amazing sponsors, Susan Doscher, Realty Insight Group, Dr. Cheryl Berger Israeloff and Rush Properties, Inc. and of course to everyone who supported by attending the event and making donations.

THANK YOU TO MAX AND HER FRIENDS AT THE MODERN FOR MAKING THIS EVENT SUCH A SUCCESS!
