

Medical Fund Holds Charity Event

Children's Medical Fund and Lester's welcomed friends and family to a celebration of Music through Fashion on October 20 at Old Westbury Country Club. The evening began with cocktails, dinner, and an array of raffle and auction prizes. The kids enjoyed many activities including Wendy The "Pied Piper" of Pipe Cleaners, Photos & Dog Tags by ESP/TRU FIT Entertainment and Keith Rothschild's amazing magic. Over 400 guests entered the tent and were dazzled by 85 children going down the runway in the latest Lester's fashions while enjoying the music of The Roslyn Theater Company. There was also a live auction where guests had the opportunity to bid on an Internship with Donny Deutsch and a signed

poster from the cast of Glee.

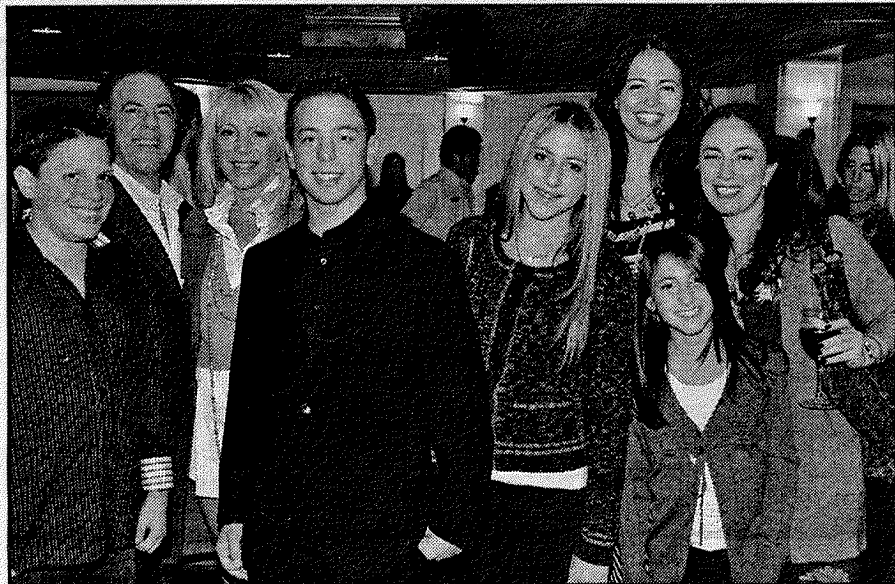

This year's recipient of the "Teen Youth Spirit" Award was Sam Riese. Sam was honored for donating a portion of his Bar Mitzvah money to the children's hospital. Sam and Brooke Goldfarb did a wonderful job of being the MC's for the night's festivities.

Special recognition to Perry & Sheri Schorr, Barry & Robin Cohen, Jennifer Ganz, Nancy Chwatt, Jill Studley, and the entire committee for organizing this wonderful event. We also thank all of our volunteers including the Garden City Chapter, Roslyn Jr. Scope and Jericho Jr. Scope for their help with the event.

The event raised \$125,000 for The Child Life Department at Cohen Children's Medical Center of New York.
